I believe that if we can't get the admin CD out to the library via Fedex today (assuming they'll get it Sat or Monday and the comment period would begin on Tuesday, the 1st), then we will have to send it out on Mon and start the comment period on Wed. That is, unless we could still start the comment period on Tuesday even though the CD would not get there until Tuesday am. Would this be acceptable? Hopefully, we can get it out by COB today.

This is what I just sent to the Std. Times. The woman there is very prompt and should get back to me soon to let me know if they can rush it to Monday's paper (deadline was yesterday afternoon) or if it will go in Tuesdays. If Tuesday is the 1st, would we need to change the date? Right now I have it as the comment period runs from Sept 1 - 15th.

Thanks!
